

R.M. OF THOMPSON GARBAGE PICK-UP

On behalf of Council for the R.M. of Thompson and the Committee for the LUD of Miami we would like to inform you that effective April 15, 2019 we have contracted MWM (Municipal Waste Management) to facilitate **bi-weekly** garbage pick-up services in the LUD of Miami. MWM is the same company that is currently providing the recycle pick-up service.

Each residence will receive a garbage cart which is the same likeness to the recycling cart that you already use. These will be delivered by R.M. of Thompson staff April 9th and 10th. **As of April 15th garbage pick-up will change from Wednesday's to Monday's, it will also be a bi-weekly pick-up which will be the opposite Monday of recycle pick-up.**

Example:

Monday April 8th – recycle pick-up
Monday April 15th – garbage pick-up
Monday April 22nd – recycle pick-up
Monday April 29th – garbage pick-up

IMPORTANT DATES TO REMEMBER:

APRIL 9 & 10, 2019 – R.M. STAFF WILL DELIVER GARBAGE CARTS

APRIL 10, 2019 – LAST DAY THE R.M. OF THOMPSON STAFF WILL FACILITATE GARBAGE PICK-UP

APRIL 15, 2019 – FIRST DAY OF GARBAGE CART SERVICE PICK-UP

Council would like to thank the Community for your continued support in our waste and recycling initiatives. We would also like to thank Brent Aeichele for his continued commitment to have the garbage picked up no matter the weather conditions and to note that this change **does NOT** affect his position with the R.M. of Thompson.

If you have any further questions or concerns please contact the R.M. of Thompson administration office.

Sincerely,

Nicole Enns, CMMA
